

Come and stay at

"ANAVON PARK" TE AROHA

● We offer you an enjoyable holiday in peaceful country surroundings where the atmosphere is always friendly. The cooking and toilet facilities are new and always kept clean. The camp which covers 5 acres includes a large children's play area, swimming and paddling pool with sparkling clear filtered water, swings and slides, caravan power points, sheltered camping sites, and three cabins sleep 2-4, with more being built.

● "ANAVON PARK" is two miles from Te Aroha on the main Matamata highway and is centrally situated to the Waikato and Bay of Plenty. A diagram is shown over leaf showing the distances from neighbouring towns and other tourist attractions, all within easy driving distance from "Anavon Park".

● At Te Aroha itself there are Hot Pools which are known all over the world for their healing properties and pleasant bathing. The drinking waters contain Sodium Bicarbonate and Sodium Chloride and are beneficial for internal disorders. At the baths is a hot soda water geyser which is the only one of its kind in the world.

● Te Aroha mountain with its covering of natural native bush provides pleasant walks, and for the energetic who climb to its summit there are breath-taking views of the Waikato and the Bay of Plenty. On a clear day the glistening snows of Mt. Ruapehu and Mt. Egmont can be seen.

● Rocks and semi-precious stones also can be collected on the slopes of the mountain.

● The resident proprietors, Ivan and Nancy Lauridsen, will be happy to advise on walks or day trips. We will do our best to ensure you of a memorable holiday.
